19 August 2016

Dear Sir/Madam

You are invited to attend Ballarat Health Services Mental Health Services World Café on Monday August 29. The purpose of this consultation process is to give staff, stakeholders, and the community the chance to inform the review of the Operational Structure of Mental Health.

The session will run from 10:00 to 12:00 and 2:00 to 4:00. Participants are encouraged to attend for as long as they are able, whether that be a whole session or dropping by during a break.

Monday August 29 will be at the Conservatory, Ballarat Lodge Geelong Road. Morning tea, light lunch and afternoon tea will be provided.

World Café is a process of consultation that allows all to have a voice through a variety of mediums.

One of the World Café’s most basic assumptions is that all the knowledge and information we need is available now, here among us. So that means that every voice gathered here is valuable and needed, including yours!

We hope you will find World Café an enjoyable experience that will allow you to be in a place where you can relax and share what is most meaningful to you; to find insights to deepen your learning, and new friends to collaborate with.

Please note that the following address: MHS.Consultation@bhs.org.au has been created in order for community members to send through their input if they are unable to make the World Café or if they have further input from the session.

Yours sincerely

Mick Fryar
Executive Director Mental Health Services
